Additional comments

I wish we had more communication with more feedback with our paintings because most of the time it would take two-three weeks to reply on the painting we need help on. We wouldn't know if it's good or not until were finish and we pretty much have to go back and fix it. I know with us not being able to do our paintings in the studio but I thought with us not being in the studio we would still be able to get the help.
