	Question: Additional comments
Cuddington	I learned a lot from the course and it has excited me to learn even more and take feature drawing courses.
Cuddington	Great course and instructor.
Cuddington	The end of the semester felt rushed. We spent too much time on perspective and not enough time on shading

	Question: Additional comments
Cuddington	I felt a little pressured with assignments. I wish that we had more assignments for less of a grade. I wish there was a bit more instruction on terminology.
Cuddington	Please post grades as they are completed. I had a general understanding of what my grade was all semester but not an exact idea.
Cuddington	Very good class and I'm curious if this is a core requirement sufficient

	Question: Additional comments
Cuddington	Guidelines for assignments/papers were a lot more confusing and complicated than necessary. But even just organizing the guidelines in a way so all the writing does not look all cramped up, would be helpful. Professor Wilson was good at listening to students and giving feedback.

	Question: Additional comments
Cuddington	This course was very well run, and well outlined. I didn't know what to expect going into it, but it was quickly detailed, and I felt the time requirements for projects were perfectly fine. I have also learned previously unknown techniques, and that pleases me.

Cuddington	Great class and capstone! A truly life-changing exhibition.
Cuddington	A list of due dates would be great to have at the beginning of the semester. Also, having dates and times set for shows at the beginning of the year would be helpful and avoiding confusion. Joyce and Gary are both really great professors!
