the class was fun and straight forward.

I came in not confident in my art skills but Mr. Gary proved to me that i can do anything if i follow my heart

My structure was good at his job. But most of the time he made me feel uncomfortable. For example, in a class that has around 10-12 students, he was always try to “help” me while I did not need his help. I changed my seat couple time just to be far from him, but never worked. I love arts and this class could be my favorite but because of him I did not enjoy it. I hope at future he act more professional.
